Summary of reasons for decision:

The image depicts a naked young teen girl in a voyeuristic manner. It is classified objectionable because it exploits the nudity of a young person to such a degree that its availability would be injurious to the public good. While an objectionable classification interferes with the right to freedom of expression as set out in the New Zealand Bill of Rights Act 1990, it is demonstrably justified and reflects the concern of a free and democratic society to protect its young and vulnerable members from exploitation.
